

Lucca CCT 24W/30W Photocell

114571

NEW

114571

The Lucca CCT is a functional exterior wall pack which boasts Tri-Colour and Dual-Wattage capabilities and is ideal for commercial applications. Standard, Microwave and Photocell variants are available with the option of an emergency pack add in. The energy efficient fitting provides an impressive output of 3000 lumens. This range has two conduit entries, one on either side, plus an entry in the base of the fitting. Lucca CCT is IP65 & IK10 rated and constructed from polycarbonate, making it tough and hard-wearing.
