MARKA CCT

Surface mounted, multi-directional ground light

Introducing the Marka CCT, a surface-mounted, multi-directional ground light designed for durability and versatility. Constructed from die-cast aluminium with an IK10 rating, it's tough enough for demanding commercial environments. With an IP67 rating, it's fully protected against dust and water. The Marka CCT offers three selectable colour temperatures 3000K, 4000K, 6000K that can be easily adjusted with a flick of a switch, along with 1-way, 2-way, or 4-way light options for customisable illumination.
