

## FORCA 12W

The IP65 Forca bulkhead range is engineered with a tough polycarbonate body and opal diffuser for even light output with no LED hot spots, all versions and accessories are IK08 impact resistant and designed to last. Powered by a 5 years warranty driver it is ultra efficient and delivers up to 1140 lumens. Designed with the installer in mind with BESA mounting and side knockouts, fast fix connector box, interchangeable bezels and emergency, microwave options. The Forca is available in both 18W CCT and 12W 4200K versions and comes as standard with a 5 year warranty.

## FORCA 18W CCT

Using the latest in Colour Changing Technology (CCT), each Forca 18W can be 3000K, 4200K or 6500K by flicking the switch on the LED board to the desired colour temperature. The Forca is a functional bulkhead built to last, manufactured from polycarbonate, this fitting is suitable for both commercial and domestic applications. Featuring a screw lock design and IK08 rated, these fittings are sturdy and reliable; available in a choice of standard, emergency and sensor options. Range boasts a choice of bezel finishes and shapes.
