

COMBI, A.C.E COMBI Kit and Earthing Plates

COMBI IP68 Set

**COMBI**  
by WISKA **A.C.E COMBI Kit**

The WISKA A.C.E. COMBI kit (Armoured Cable Earthing) is the perfect solution for quick and effective termination of SWA cables.

Offering an effortless solution, with no drilling of the enclosure, pre-threaded entries, ready mounted terminal block, and a brass earthing clamp.

It allows a simple, quick and secure connection of the cables without the need of further drilling for the earth tag, allowing you to maintain the full IP rating of the enclosure.

<b>Protection Class</b>	IP66/67
<b>Glow wire test</b>	750 °C
<b>Temperature range</b>	-30 °C - 100 °C
<b>Installation temp</b>	-5 °C - 60 °C
