

Technical Specification

Product Code: GM150PWP

Description: 2 Module Dimmer Mounting Kit

General Information

Dimensions	49mm (W) x 50mm (H)
Aperture Dimensions	20mm (W) x 35mm (H) x 2
Module Frame Finish	Polar White
Module & Control Button Finish	Pearl Nickel
Materials	Body & Insert: Nylon Control Button: Nylon Insert & Control Button Covers: Stainless Steel
Back Box Depth	47mm
Operational Temperature	-5°C to +40°C
Warranty	10 Years
Standards	BS 5733: 2010

Additional Information
