CLASSIC 3000 850MM

Stainless Steel Classic Skins

Non and mode 3 communication.

The Classic 3000 EV charging pedestal is the offspring of the world-leading Classic utility pedestal of which over 50,000 have been sold worldwide. This Classic 3000 simple and economical pedestal is the ultimate workhorse in our EV charging range.

Every Classic 3000 charging pedestal is manufactured to suit your own requirements and specifications whilst maintaining an off the shelf price tag.

The Classic 3000 EV charging pedestal is ideal for providing multi-charging solutions in a wide range of locations including:
• All types of car parking
• Offices and places of work
• Shopping centres and supermarkets
• Fleet charging
• Recreational and leisure venues
• In fact anywhere requiring controlled EV charging

EVCL0080
