

# Accessories

All you need to make testing faster and simpler.

## PAT ADAPTER 1

Makes a PAT tester out of your multifunction or insulation / continuity tester.  
For PAT documentation use PATLOG3.

## LIGHTMATE KIT

For faster, safer testing at light fittings. Pouch contains fittings for BC, ES, GU10, SES, SBC.

## KEWCHECK R2

For fast and secure testing of ring mains.

## KEWCHECK R2 FL

Just attach your own connector for any system.

## KEWTK1

**Kit includes**

- Lightmate Kit
- PAT Adapter 1
- Kewstick UNO
- JUMPLD 1
- Kewcheck R2
- Kewlok & Labels

Video link

## KEWLOK

Locking out device fits most toggle MCBs and mains switches - saves on multiple kits.

Includes warning labels.
