

# Definity™ Complete Matt Bronze

## INTRODUCING MATT BRONZE

A perfect blend of elegance and modern appeal. This new refined Matt Bronze finish adds a touch of timeless sophistication to any interior, making it an ideal choice for both domestic and commercial spaces.

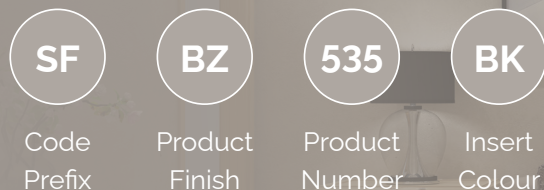

## ALL YOU NEED TO KNOW

The smooth clean lines of Definity™ Complete products provide the ultimate finishing touch to a feature packed range of decorative electrical accessories without the visible fixing screws.

## ENDLESS COMBINATIONS

All Click® switch plates are modular as standard, allowing endless combinations to suit multiple installations within both domestic and commercial environments.

**EXAMPLE CODE STRUCTURE**

**Available in 9 finishes:**

Matt Bronze (BZ), Antique Brass (AB), Brushed Stainless (BS), Stainless Steel (SS), Chrome (CH), Matt Black (BK), Metal Black (MB), Metal White (MW) and Polar White (PW).

**GRIDPRO®**

**INTERCHANGEABLE  
MODULES**

The GridPro® interchangeable modules offer versatile installation options, with the choice of screw-in or clip-on modules, allowing for easy assembly on a variety of Definity™ Complete frontplates.

**MINIGRID®**

**MODULAR  
SWITCH PLATES**

All Definity™ Complete switch plates are modular as standard, allowing you to create virtually any switch plate you require. The MiniGrid® modules are all easily and quickly exchanged or mounted onto unfurnished plates by means of a simple single screw fixing.
